PROFESSIONAL SUMMARY

QA Test Engineer with 5 years of experience in manual testing across web, mobile, PC and console platforms. Experienced in functional, regression, exploratory and compatibility testing, with knowledge of test automation, API testing, CI/CD and AI tools.

CORE QA SKILLS

Testing

Manual Testing | Functional Testing | Regression Testing | Exploratory Testing | Smoke Testing | Sanity Testing | UI/UX Testing | Compatibility Testing | Cross-Platform Testing | Web & Mobile Testing

Tools

Jira | TestRail | ADB | Logcat | Android Studio | Charles Proxy | Slack

Methodologies

Agile | Scrum | STLC | SDLC

API Testing Concepts

REST | SOAP | JSON | HTTP Methods | API Testing

Test Management

Test Case Design | Test Execution | Bug Reporting | Defect Tracking | Defect Validation | Retesting | User Acceptance Testing | Release Validation | Requirement Review

Platforms

Android | iOS | Windows | macOS | PS4 | PS5 | Xbox | Nintendo Switch | HTML5/Web

Automation & CI/CD Concepts

Selenium WebDriver | TestNG | Appium | Core Java | FireFlink | Jenkins | Git | CI/CD

PROFESSIONAL EXPERIENCE

GlobalStep Services Private Limited

Senior Test Engineer

08/2022 – Present
Pune, India

- Lead and coordinate 5–8 QA testers, managing testing activities and priorities.
- Analyze requirements and design test scenarios and test cases.
- Perform functional, regression, exploratory, UI/UX and compatibility testing across web, mobile, PC and console platforms.
- Manage the defect lifecycle using Jira, from reporting and tracking to retesting and closure.
- Collaborate with developers and stakeholders to investigate defects, validate fixes and support releases.
- Use ADB, Logcat, Android Studio and Charles Proxy for mobile testing and issue investigation.

Test Engineer

09/2021 – 07/2022
Pune, India

- Performed functional, regression, exploratory, UI/UX and compatibility testing across web, mobile, PC and console platforms.
- Designed and maintained test cases based on requirements and expected behavior.
- Reported, tracked and retested defects using Jira and TestRail.
- Collaborated with developers and QA leads to reproduce defects and validate fixes.

KEY ACHIEVEMENTS

- Consistently received excellent client feedback for testing quality, communication and ownership.
- Mentored 10+ QA testers through knowledge-sharing and testing sessions.
- Contributed to successful releases through regression and release validation.

PROJECTS

King 01/2023 – Present

Mobile Live-Ops Games

Android, iOS, Windows, HTML5/Web

- Tested live events, feature releases, A/B experiments and frequent content updates.
- Performed functional, regression, exploratory, UI/UX and cross-platform testing.
- Coordinated defect verification and release-readiness validation with client teams.

Scopely 07/2022 – 12/2022

Mobile Game

Android, iOS, Windows

- Performed feature validation and regression testing during development cycles.
- Reported gameplay, UI, and functional issues using Jira and verified fixes during regression testing.

Bandai Namco 01/2022 – 07/2022

Console Game

PS4, PS5, Xbox, Nintendo Switch, Windows

- Performed functional, regression, feature, and issue-validation testing across console platforms.
- Identified and documented application and UI defects during testing cycles.

Microids / Eidos Montreal 10/2021 – 01/2022

Console Titles

PS4, PS5, Xbox, Nintendo Switch, Windows

- Tested gameplay functionality and platform-specific features across multiple environments.
- Reported defects and verified fixes during regression and milestone testing.

PROFESSIONAL TRAINING

Software Testing with Java Automation (SDET) 11/2024 – 02/2026

QSpiders

Kolkata

Core Java Fundamentals | Selenium WebDriver | Automation Framework Concepts | FireFlink | Web & Mobile Automation | Basic CI/CD Concepts | Jenkins

EDUCATION

Bachelor of Engineering (B.E) 08/2021

University Institute of Technology

Computer Science and Engineering

*Burdwan, West Bengal,
India*

Diploma 06/2018

RRK Government Polytechnic

Computer Science and Technology

*Midnapore, West
Bengal, India*
